NETWORKING &
EXHIBITION

Location: Tagungszentrum „Das Wormser“

IMPORTANT:
LIMITED NUMBER OF
PARTICIPANTS!

Paid participation only after written registration!

11⁰⁰
A.M.

Greeting, Andy Becht (State Secretary in
the Ministry of Economic Affairs, Transport,
Agriculture & Viticulture of the State of
Rhineland-Palatinate, Mainz)
Oliver Martinez (plant production and
protection division at the Hessian
Ministry of Agriculture and Environment,
Viticulture, Forestry, Hunting and
Homeland)

Martin Roffhack (board member of the
German Potato Trade Association)
Helen Pfitzner (Coordinator for research
networks & knowledge transfer, ZikaNet)

Lunch

15³⁰
P.M.

EXCHANGE of the subject areas

16⁰⁰
P.M.

Visit to the field tests
Subject area B

SikaZika

David Löffler, Mareike Schwind

KartoZik & monitoring

Dorothee Kreimer, Benjamin Klauk

Experimental technique &
BetaClimate

Axel Siekmann, Maximilian Groß

Beet moth & tent comparison

Hendrik Göbbels, Alicia Völker

19³⁰
P.M.

Dinner

Location: Tagungszentrum „Das Wormser“

FIELD DAY
BETA-SOL
Organizer: Agrarservice Hessen-Pfalz GmbH

CONFERENCE – MORNING

0830
A.M. **REGISTRATION**
of the participants

0900
A.M. **Greeting**, Helen Pfitzner & Dr. Christian Lang

0920
A.M. **Basics on the Cixiidae Pentastiridius leporinus and its pathogens and effects - Report from the BETA-SOL field day**
Anna Dettweiler, Dorothee Kreimer, Sebastian Adam (Association of Hessian Palatinate Sugar Beet Growers e.V., Agrarservice Hessen-Pfalz GmbH)

0950
A.M. **The interaction "vector-host-pathogen" in the epidemiology of phytoplasmas**, Dr. Anna Markheiser / Friederike Wahl (Julius Kühn Institute, Institute for Plant Protection in Fruit Crops and Viticulture, Siebeldingen)

1010
A.M. **Differentiation and host interaction of SBR-associated pathogens** Prof. Dr. rer. nat. Michael Kube (University of Hohenheim, Integrative Infection Biology Crops-Livestock)

1030
A.M. **DISCUSSION**

1040
A.M. **Current research work at the Institute of Sugar Beet Research in the area of interactions between sugar beet, vector and bacterial**

pathogens, Dr. Lukas Rollwage (IfZ Göttingen, Phytomedicine)

1100
A.M. **Current research results on the resistance of sugar beet to SBR and sustainable biotechnical control methods**, Prof. Dr. Jürgen Gross (Director Julius Kühn Institute, Institute for Plant Protection in Fruit Crops and Viticulture, Dossenheim and Siebeldingen)

1120
A.M. **SBR and Stolbur pathogens in planthoppers - current research findings on transmission and pathogen diversity**, Eva Therhaag und Natasha Witczak (Julius Kühn Institute, Institute for Plant Protection in Fruit Crops and Viticulture, Dossenheim and Siebeldingen)

1140
A.M. **DISCUSSION**

1200
P.M. **IMPULSE DIALOGUE**, Daniela Schmitt (Minister for Economic Affairs, Transport, Agriculture and Viticulture of the State of Rhineland-Palatinate, Mainz) Prof. Dr. Frank Ordon (President of the Julius Kühn Institute, Quedlinburg), Dr. Justus Böhm (Chairman of the UNIKA Advisory Board), Walter Manz (Chairman of the Association of Hessian Palatinate Sugar Beet Growers e.V.)

AFTERNOON

1300
P.M. **LUNCH, NETWORKING and EXHIBITION VISIT**

1430
P.M. **Studies and observations as a part of the SIKAZIKA project and the trials on plant protection effects at Regional Council of Giessen**, Roswitha Ulrich, Dr. Dominik Dicke, (Regional Council of Giessen -Plant Protection Service, Hesse)

1450
P.M. **Cixiidae Pentastiridius leporinus in Potatoes & Sugar Beets - Projects in Switzerland**, Stefan Vogel (Research Assistant, University of Applied Sciences for Agriculture, Forestry and Food, Zollikofen / Bern)

1510
P.M. **Use of RNAi to control the Cixiidae Pentastiridius leporinus**, Dr. Kwang-Zin Lee (Head of Pest and Vector Insect Control Department, Fraunhofer Institute for Molecular Biology and Applied Ecology IME, Giessen)

1530
P.M. **Sugar Beet meets RNA: From the Lab to Practice SBR**, Prof. Dr. Aline Koch (University of Regensburg, Institute of Plant Sciences)

1550
P.M. **DISCUSSION**

1600
P.M. **Closing words**, Erhard Kunz (Chairman of the Association of Sugar Beet Growers & Southwest German Sugar Beet Foundation)

1615
P.M. **End of the conference**

NOTE ON HOW TO GET THERE

 The venue in Rathenaustraße is only a five-minute-walk from the main train station. Parking is available in the immediate vicinity in the following parking garage:

 **Parkhaus Am Theater**
Kriemhildenstr. 20, 67547 Worms

P+R Parkhaus Am Bahnhof
Auxerrepl., 67549 Worms

P3 – Parkhaus am Dom
Koehlstr. 7, 67547 Worms
